

How to join a meeting on ZOOM?

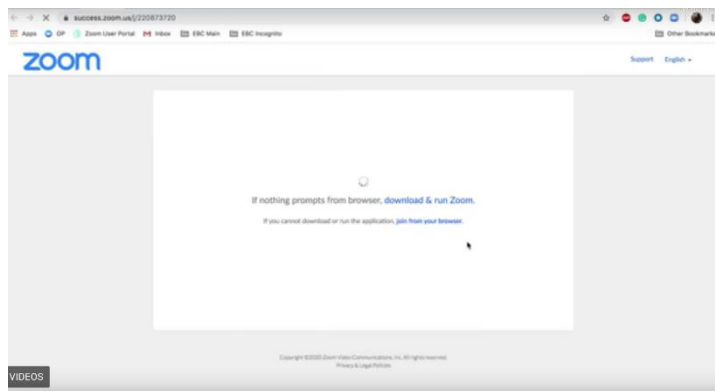

Step 1: Click on the invitation link sent by AFO's team

You can also find this link on your student account by clicking on the following link:

<https://afottawa.extranet-aec.com/students/login>

Step 2: The following browser windows will open, and you wait to connect to your meeting (your course)

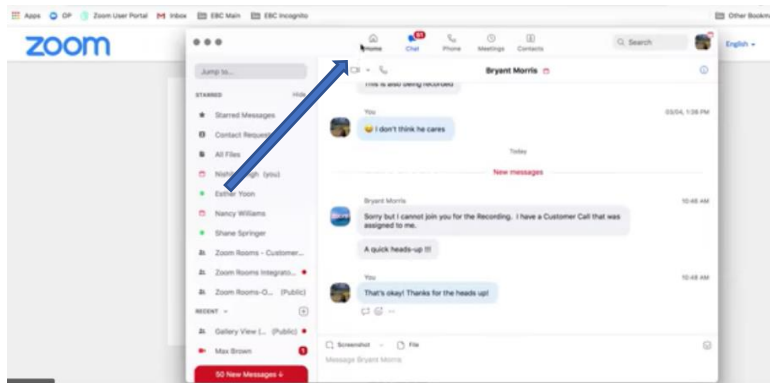

If you have zoom application, by clicking on the invitation link, you will get automatically connected to zoom, if you don't have zoom application installed, by clicking on the invitation link, it will be installed automatically.

How to join the next meetings?

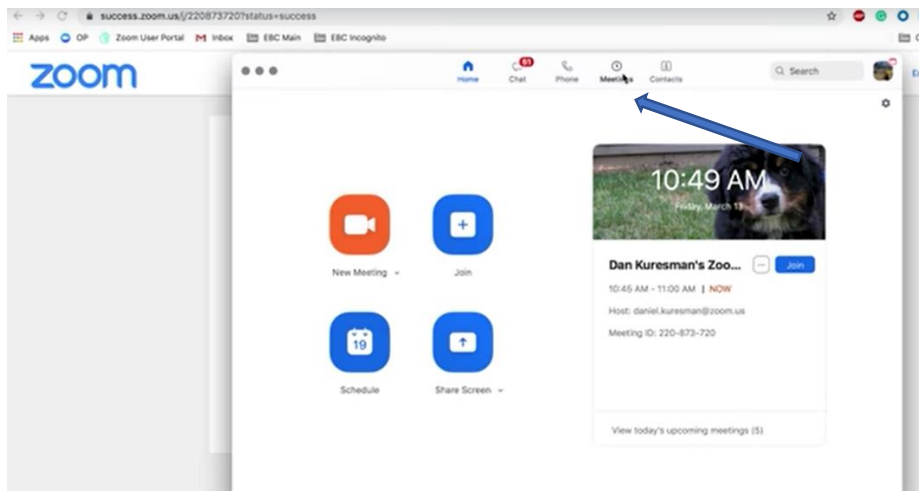

For the next meetings, you can use the same invitation link sent by AFO's team for the first meeting and follow the same steps explained on the previous page.

OR you can open zoom application on your computer and:

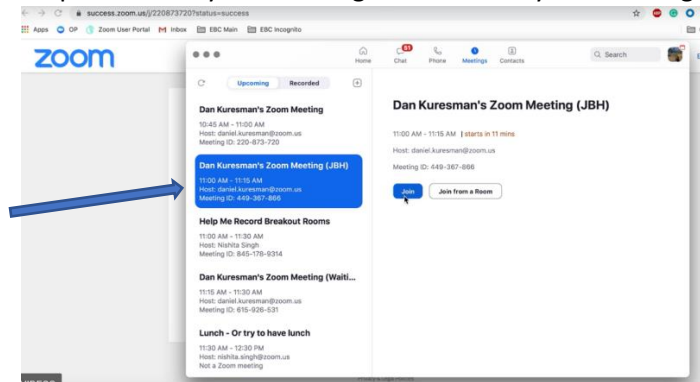

Step 1: Click on "Home page"

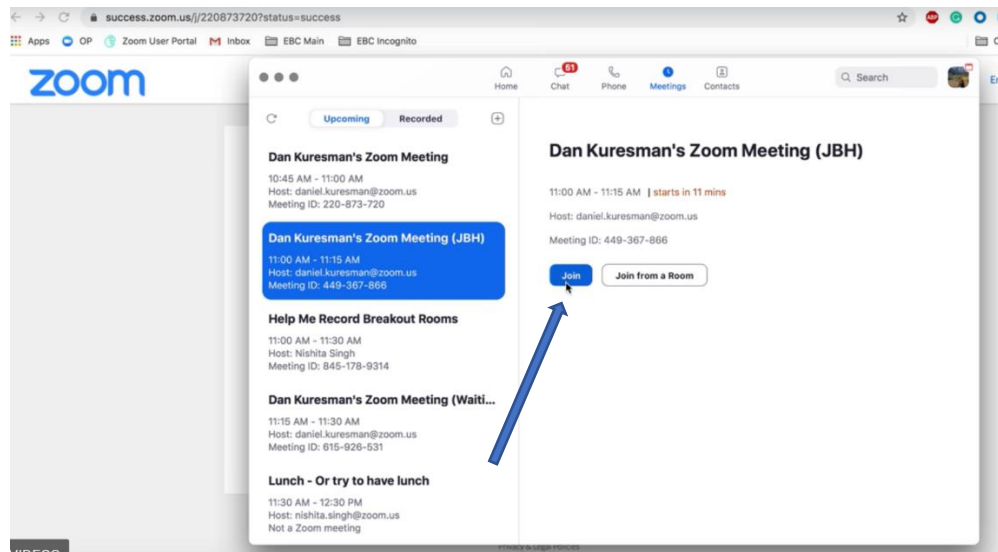

Step 2: Click on "meeting"

Step 3: click on your meeting on the left of your meeting page

Step 4: Click on "Join"

And there you are.

*****Make sure you have a microphone and camera installed.
